How it all works!

Why Build Your PC From Elitehubs

Terms of Sale:

- 1) No Surcharge will be applicable for Credit Card Payments unless explicitly mentioned.
- 2) Defective parts can be submitted for warranty at Elitehubs Mumbai outlet. Elitehubs will only provide the service of submitting the parts to the respective brand service centers. The Replacement / Repaired / Refurbished part provided by the Brand's Official service center will be forwarded to the client as it is.
- 3) The parts must be picked up from Elitehubs Mumbai outlet by the client after the RMA process. The product can also be shipped to the client with courier charges.
- 4) The time required for the warranty process will be as per time required by the Service center as well as the transportation time required to submit & pickup the part.
- 5) Damages during shipping, if any, will be handled by Elitehubs. An uncut unboxing video of the Product is required to claim the same.
- 6) Unlimited Lifetime Free On-call and online Tech support will be provided in business hours. A time slot must be booked before each technical session.
- 7) Free on-site trouble-shooting services for 3 years will be provided with PC builds limited to 4 times/ month. (Mumbai only, for complete PC builds, with appointment only)
- 8) Cleaning services are chargeable. Deep Cleaning service requires the PC to be submitted at the outlet considering the time consuming nature of the service.
- 9) The PC will not include Wifi or Bluetooth unless a Wifi + Bluetooth Motherboard / Adapter is purchased.
- 10) The PC Will ship with a trial version of Windows 10 / 11 along with all the necessary drivers and testing softwares pre installed.
- 11) The PC can be viewed live at-outlet / on video-call. The same has to be informed atleast 2 Hours before the PC build starts.
- 12) Elitehubs is not responsible for damage done due to Overclocking / Changes in the hardware / Use of cracked software by the client.
- 13) Prices mentioned above are including professional assembly, clean cable management and 22-points testing at our lab.
- 14) Prices and parts will be locked, once an Advance / Token amount is paid.
- 15) A token amount may be paid to book the PC, but the process of building the PC will only start after atleast 50% of the total amount is paid.
- 16) The product will be dispatched from the Elitehubs outlet only after the full payment has been received.
- 17) In case of a cheque bounce, the penalty amount will have to be borne by the client.
- 18) On cancellation of the order by the client after the PC is built, 15% cancellation charges and convenience fees will be deducted from the total amount.
- 19) On cancellation of the order by the client before the PC is built, 5% cancellation charges and convenience fees will be deducted from the total amount.
- 20) Once the test report is shared with the client, the pending payment if any, has to be completed within 48 Hours of receiving the test report.
- 21) Failing to pay the pending amount in the due time will incur a Rs 250 charge per day per PC.
- 22) Elitehubs' support will be limited to the PC and other parts purchased along side it.
- 23) The PC will take 3-5 working days to be ready for dispatch. During sales, the time will be 5-7 days. Saturdays and Sundays are not counted as work days.
- 24) There may be an additional delay if any issue is detected during stress testing or if any product ordered is out of stock.
- 25) The Product pics/videos if provided will be available for 1 month to download.
- 26) If a token amount is paid to place the order, the client must complete pay atleast 50% of the total order value within 72Hrs, post which the order will get cancelled.
- 27) If the order is cancelled after paying a token amount, the token amount will be returned after deducting convenience fees and other charges
